REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

We but express what is patent to all who seriously reflect upon the subject that the press is the most potent agent for evil as well as good. Every phase of human thought, as well as every form of vice and virtue, finds ready and earnest expression through this medium. The press, in the interest of infidelity, unholiness and irreligion, is to-day one of the most formidable and hostile antagonists with which the gospel has to contend in its efforts to save the world. Next to the pulpit, a sanctified press is among the most efficient agents for the spread of the gospel and scriptural holiness in the earth. It must be through the agency of a sanctified press, perhaps even more than the pulpit itself, that we are to counteract the widespread evils resulting from the unholy literature of the day. This literature, in the form often of the daily newspaper,

cheap, sensational works of fiction, and often the bold, outspoken infidel sheet or magazine, finds its way into many of the homes of our people, and is read at our fire-sides by young and old; it circulates along our great highways of travel, and goes into the by-ways and obscurest neighborhoods of our land. It is *everywhere* exerting its baneful influence upon the minds and morals of our teeming population. We are profoundly impressed that the Church is not sufficiently awake to the extent of this evil, nor to the fact that the success of the gospel is being so greatly hindered, and its power in such large measure hindered, by this poisonous and unholy influence. We find much to commend in the daily press. We would not indiscriminately condemn the daily newspaper, but there is in many of them much that is evil and which makes them unfit to be *received*, much less *read* in our homes. It is not an unusual thing to find, in the home of even professed christian people, one or more copies of the daily or weekly secular newspapers, and not a single copy of any church paper whatever. The effect can not but be disastrous to the moral and religious interests of such households. With every christian man and woman, the Church paper should be first. If but *one* paper can be taken, let it be a religious paper. We ought, this Centennial Year, to adopt, and to the best of our ability carry forward to fulfillment, the motto of our Centenary Committee, "A Methodist paper in every family."

ST. LOUIS CHRISTIAN ADVOCATE.

Your committee have duly considered the communication from the "Joint Committee on editorial management of the St. Louis *Christian Advocate*," and as the result of our deliberations we beg leave to submit the following:

Inasmuch as Logan D. Dameron, Business Manager, did, upon his own motion, propose to give to this Conference, in connection with other patronizing Conferences, the absolute control of the editorial management of the *Advocate*, upon the condition that we would make it our only organ, and labor to conserve its business interests; and inasmuch as we accepted the offer thus made, we would not, in view of these facts, be true to our obligations were we not to recognize it as the only organ of our Conference, and unfalteringly pledge our continued support to aid in its circulation, and thereby not only conserve its business interests, but the interests of the Church, as well. Your committee feel that it is due the venerable editor of the St. Louis *Advocate*, Rev. D. R. McAnally, D. D., that we express our grateful appreciation of his services as editor, extending through a period of thirty years, and that we hold him in highest esteem as a Christian brother, and for his work's sake,

26 REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

and that we will ever pray God's blessing upon his work, that he may long be spared to wield his yet vigorous pen for the Church in the cause of truth and righteousness.

We further tender Rev. E. M. Bounds, Associate Editor, our sincere thanks for the efficient service he has rendered, and is still rendering, as the junior editor of the *Advocate*.

We also accord but a just meed of praise to Logan D. Dameron for his judicious management of the financial interests of the paper, and his devotion and fidelity to our Church interests, and for maintaining at such great outlay of time and money this essential interest of the Church, the St. Louis *Christian Advocate*.

We recommend to the Conference the election of Rev. M. B. Chapman to fill vacancy in the "Joint Committee of editorial management" occasioned by the death of our lamented brother, Rev. T. J. Gooch.

SOUTHERN METHODIST PUBLISHING HOUSE.

Your committee has carefully looked into the "Report" laid before this Conference by Dr. J. B. McFerrin, Agent of Nashville publishing interests, and we desire to express our gratification at the continued prosperity of this great enterprise. We rejoice to witness the successful effort to liquidate its indebtedness, and to increase its business. We are glad to see every where signs of large and permanent success and prosperity. We hope that the business of the house may be largely increased in the future, and would recommend and urge our preachers and people, as far as possible, to patronize this great interest of the Church. Among its many valuable publications, we are especially pleased to welcome the History of Methodism, by Bishop McTyeire. We believe it will at once take rank with the former great histories of Methodism. We commend it to our people everywhere, and bespeak for it a large circulation throughout the Church.

NASHVILLE CHRISTIAN ADVOCATE.

We note with pleasure the continued success and large circulation of this our great central organ. Its editor, Dr. O. P. Fitzgerald, brings the whole Church under obligations to him for his able and wholesome editorial utterances. We endorse the paper heartily, and commend it to our people, and bespeak for it an extensive circulation throughout our bounds.

SUNDAY SCHOOL LITERATURE.

Our Sunday School literature, as prepared by Dr. Cunningham, assisted by Rev. J. A. Lyon, fully meets the demand of

the Church and is greatly helpful in our Sunday School work. It is not only of high intrinsic merit, but we regard it, at the same time equally cheap with similar publications of other publishing houses. We continue to urge our people to introduce it into all our Sunday Schools.

REPORT OF THE SUNDAY SCHOOL BOARD.

To the Missouri Conference:

Your board feel this to be a most important work, in which thousands of people are taught the word of God every Sabbath.

The statistics of this year show a very gratifying increase in this work over last year. The increase is as follows: Eighteen schools, sixty-four officers and teachers, three hundred and fifty-six scholars, 8,290 volumes and periodicals, and \$1,091 for Sunday school purposes.

This is a work in which all should take a part, either as a teacher or learner of the Word of Life. The one well-defined object is to promote the working efficiency of the Church for the salvation of souls.

We call the attention of pastors to a growing evil among us, that is the absence of children from the regular preaching of the gospel. Constantly call the attention of our people to the cure of this evil. Devise every means to secure the attendance of our children on public worship. Parents must give their time and money to this important work. Let the habit of instruction at home be revived and maintained, and then supplement it at the Sunday School. By this rule you will not only reach the families of the pious, but those who are irreligious.

Due importance ought to be given to singing as an important part of Sunday School work. Let the spirit of devotion be cultivated and the singing will be delightful and profitable. While great care should be given to avoid levity and irreverence, at the same time the school should be made as cheerful and interesting to all as possible. We recommend our Sunday School literature published by Dr. J. B. McFerrin, at Nashville, as not only as cheap as any, but safe and reliable.

Your board would recommend that the district work be continued, and made as efficient as the discipline requires. In order that it may be done, we offer the following resolution:

1. *Resolved*, That the Presiding Elders be required to appoint, at their earliest convenience after the close of this Conference, where it has not been done, one Layman or Local Preacher in each charge, whose duty shall be to aid his pastor in Sunday School work. The brethren thus appointed shall constitute a District Sunday School Board, whose President shall be a member of the Annual Conference Board, and shall

hold their session at the time of the District Conference, and make their report in writing to the Annual Conference through their Chairman.

2. *Resolved*, That this Board shall make its report to the District Conference, and the Presiding Elder shall appoint a new Board at each session of the District Conference.

Respectfully submitted.

J. H. SNOW,
Secretary.

D. R. SHACKLEFORD,
President.

BIBLE CAUSE.

Your committee have had no data from which to ascertain the work done in this cause, except from the record made by our Statistical Secretary. We are unwilling to take this as a reliable exhibit of the facts in the case, nor are we willing for the public to judge us by this record. We are assured that the fault does not lie in culpable neglect or a false estimate of the importance of Bible distribution, but in the want of system in collecting and failure to make reports to this Conference of what has been done.

The collections this year, as reported, amount to but \$23.43. To save our credit and insure better work in the future, we recommend the following:

Resolved, That every Presiding Elder is expected and most earnestly requested to devote at least one Sabbath in the year, at each appointment, to preaching upon the practical value of the Bible, and to taking a collection for the Bible cause.

Respectfully submitted.

JAMES O. SWINNEY,
Secretary.

ROBERT WHITE,
Chairman.

Respectfully submitted.

Chairman.

REPORT ON TEMPERANCE.

The committee to whom was referred the subject of Temperance beg leave to submit the following report:

The Methodist Episcopal Church South, we are thankful to say, has ever occupied the scriptural ground on the important subject of Temperance; yet, we feel, if possible, more than ever that we should do our utmost to check this sweeping tide of evil which threatens not only the *Church* but *civil government* as well. Intemperance is a heartless, daring foe, both to God and man. It despises and therefore sets at naught *good government*.

This mighty demon of darkness, feeling that it is soon to be chained, is putting forth all its energy to prolong its reign of might. These desperate efforts which intemperance is now making reveal both the source and magnitude of the evil. The strength of the foe requires us, as the servants of God and guardians of society, to select and use, with the greatest possible skill, the best weapons which the Word and providence of God affords us. Therefore,

Resolved 1st, That we will preach and work and pray for the speedy and complete overthrow of this great curse of our country.

Resolved, 2nd, That we, the members of the Missouri Annual Conference of the Methodist Episcopal Church South, do earnestly recommend the observance of what our Book of Discipline says, touching the subject of Temperance.

Resolved, 3d, That we, as *pastors*, will use all scriptural means to enforce the same.

J. S. FRAZIER, *Chairman.*

BOARD OF EDUCATION.

The Board of Education of the Missouri Conference ask leave to report that communications from Central College, Howard Female College, Central Female College, St. Charles College, and Hannibal District Centenary High School were, presented to the board and duly considered.

We joyfully note continued usefulness and prosperity of Central College under its present able management, and extend to this honored institution our hearty endorsement and moral support, and urge upon the members of this Conference the duty and necessity of keeping the cause of education before our people both in public and private ministrations, and of urging our people to remember the institution in their Christian benefactions. We recommend the name of Geo. T. Hoagland as member of the Board of Curators of Central College, *vice* W. W. Eads. We also urge upon our people specially the need of raising the requisite amount to raise the present endowment of the college to the sum of \$250,000. We also recommend the re-appointment of Rev. E. R. Hendrix, D. D., to the Presidency of the college for the ensuing year.

HOWARD FEMALE COLLEGE.

We are rejoiced to be informed that this, the oldest Female College in our Conference, had during the last year had such unprecedented success, and we endorse heartily the school and its management, and we extend to Dr. Hinde, its efficient President, our earnest and Christian sympathy in his work of faith and labor of love. We wish to put the institution prominently before the Methodists of the Missouri Conference, and urge upon our people their duty of patronizing our own schools. The board suggest the confirmation of the names of Dr. W. G. Miller, S. L. Woody and J. A. Smith, to fill present vacancies in the Board of Curators.

CENTRAL FEMALE COLLEGE,

Situated at Lexington, Mo., was also represented to the Board, and is represented as being in a high state of prosperity, having during the past year erected an ample and imposing addition to the original building, which now affords ample accommodations for an enlarged number of boarding pupils; we recognize Central Female College as entitled to our hearty sympathy and support. We are sorry, however, in view of the crippled condition of the College for some years past, on account of a debt that hung over the institution, that there is now reported a debt on the new building, and we hope that all connected with

the management of said institution will use every lawful effort to liquidate the same at the earliest practicable moment, and we wish our brethren and friends to help as largely as possible in this good work. We bid the school God speed, and ask the Bishop to appoint a visiting committee from our Conference for the College for the coming year.

ST. CHARLES COLLEGE.

This, the oldest Missouri college, sends her greetings to us this year, and we give her a hearty welcome. We approve the present corps of teachers, and think that in the appointment of Brother Myers to the presidency, we have an earnest of future success. We recommend Mr. Charles McCluer as a suitable candidate for the benefits of the fund appropriated for the education of poor young men seeking a preparation for the ministry in our Church. We heartily endorse the College and recommend its interests to the careful Christian consideration of our people. It is recommended by the committee that Rev. H. M. Myers be appointed to the Presidency of the College.

The Board highly endorses the action of the Hannibal District, in the purchase and equipment of property for a District High School, situated at Palmyra. We fully believe that under the judicious management of its president, James A. Lanius, it will prove a blessing to that section of our Conference. We suggest that the following persons be elected by this Conference, as a Board of Curators and trustees for said High School, and we recommend the school heartily to our own people: H. J. Drummond, H. S. Potter, Thomas C. Curd, I. W. Proctor, John W. Boulwar, M. L. Cuppell, John B. McCluer, John Logan, F. B. Keller, James T. Loyd, O. E. Brown, A. Noland, B. N. Moore.

| Amount necessary for the support of the Widows and Orphans of deceased Preachers and for superannuated Preachers, for the year next ensuing, is \$4,000.00. | |

To collect this amount your Board recommends the continuance of the

STANDING RULE.

"Each preacher in charge of a Circuit, Station or Mission SHALL collect from their several charges and congregations an amount at least equal to five (5) per cent. on the combined claims of the Presiding Elder and preacher in charge of that work, as a Conference Fund, for the support of the widows and orphans of deceased preachers and of superannuated preachers of this Conference, and pay the full amount so collected to the Joint Board of Finance, at the annual sessions of the Conference."

Do not let the building of Churches or any other enterprise cut short or hinder your collections for the worn-out preachers, and for the widows and orphans of your deceased brethren.

Your board would respectfully repeat the words in our report of last year, in regard to the "Conference Board of Trust," and beg that you brethren use all proper means to increase its funds, for the proceeds are FOR you and your children.

We respectfully ask the PREACHERS and LAYMEN of the Conference to READ THIS REPORT when published in the Conference Minutes.

The Secretary and Treasurer of the Joint Board desires to thank the large number of preachers for *prompt settlements* during the early hours of this session.

The thanks of this Conference are due to Messrs. Reid & Taylor, bankers of this city, for courtesies to this Board, and for furnishing exchange for the several claimants free of charge.

Respectfully submitted,

IN MEMORIAM.

REV. THOMAS J. GOOCH.

fall out ~~Rev.~~ Thomas J. Gooch was born at Denmark, Madison County, Tennessee, June 4, 1832. He has been preaching for 31 years. While a member of the Memphis Conference, he preached in Tennessee, Kentucky and Mississippi, as the Conference embraced a portion of those states.

During the war he and his family went to Alabama. While there he was elected to the Presidency of a literary institution at Munford, and was at the same time station preacher at Taladego, a short distance from Munford.

He joined the Missouri Conference in 1868, and received the following appointments: One year at Columbia, three years at Glasgow, one year at Carrollton, two years at Mexico, one year at St. Charles, two years at St. Joseph, Mo., four years at Mexico, and nearly two years Presiding Elder of Mexico district. He fell asleep in Christ at his home in Mexico, Mo., May 1, at 2:30 A. M., 1884. He died at his post like a Christian hero. His faith sustained him in his physical sufferings, which were intensely severe.

While seated at his bedside, the Sabbath before he died, he said: "Brother Lewis, I am now testing the Gospel I have preached to others for years."

Do you find it sufficient, Brother Gooch? "Oh, yes; it is all I want. Jesus is my rock; in him I trust, in him I trust. All is bright; there is not a cloud in my sky. I am ready to go." This was his last testimony.

Another watchman has fallen from the walls of Zion, another soldier of the cross has been taken from the battlefield and crowned with victory by the Captain of Israel's hosts.

His voice, so familiar to thousands in Missouri, and which has for years saluted the glad ears of sinners, with joyous tidings of salvation, will never again be heard in this world of sin and sorrow.

In labors he was abundant, in work continuous, conferring not with flesh and blood, or with ease and comfort. He went wherever duty called him, regardless of bad weather and all other difficulties.

Every preacher in his district loved him with a pure heart fervently, because he felt that in Brother Gooch he had a warm personal friend, as the following resolutions adopted by them will testify :

Resolved, 1, That we recognize in him a true and faithful man of God, a self-sacrificing minister of the Gospel, who was abundant in labors and an example of fidelity, which shall stimulate us to greater faithfulness and activity.

Resolved, 2, That we found in him a pure, unselfish sympathy with suffering humanity, and especially do we appreciate his sympathy and counsel as the Presiding Elder of this district.

Resolved, 3. That we rejoice in the triumph of that faith which sustained our brother to the last hour of his life, and that bears to us a fresh evidence of the power of the Gospel. The people also of the district loved him, because he manifested a universal interest in them, staying with them and preaching for them, doing double the usual work of a Presiding Elder.

As a citizen, the death of Thomas J. Gooch created a profound and widespread sorrow. The community where he labored long and acceptably, and where he fell, mourned him as one endeared to all. His funeral was the most largely attended of any ever held in Central Missouri. When his funeral sermon was preached, the ministers of the various churches in Mexico were all present, and publicly and with tears bore testimony to the nobility of nature and Christian worth of our brother.

One by one, we are going from the Missouri Conference in quick succession. God help us to be ready when the Master calls us.

May God graciously bless and comfort his bereaved and sorrow stricken family, his sorrowing wife and daughter, and son-in-law, and may they ultimately constitute an undivided family in Heaven.

C. W. WATTS.

REV. WILLIAM M. SUTTON.

Rev. William Mandred Sutton was born in Barren County, Kentucky, September 12, 1816. He came to Missouri about the year 1838, and after ten years' residence in the state, two of which were spent as a local preacher, he united with the Missouri Conference. Received on trial at Weston, Mo., in 1848. In 1851, at the Conference in Fayette, Mo., he was ordained deacon by Bishop Capers, and ordained elder by Bishop Andrew at Palmyra, Mo., in 1853.

His first appointment was the Putnamville Mission, where he preached for two years, filling fourteen appointments every

THE

Southern Methodist Publishing House, NASHVILLE, TENN.,

Was established by the Church, and is the exclusive property of the Church.

"The object of this institution shall be to advance the cause of Christianity, by disseminating religious knowledge and useful literary and scientific information in the form of books, tracts, and periodicals." (See Discipline, page 338, paragraph 217.)

One of the duties of a preacher in charge is "To see that all the people within the bounds of his charge be duly supplied with our books and periodicals." (See Discipline, page 80, Answer 9.)

The House is under the control of officers appointed by the General Conference, who have the good of the whole Church at heart. All ministers in good standing are considered agents, and special inducements are offered them to circulate the publications. There can be no great success without their coöperation; with it, no better system can be devised, as our preachers enjoy the confidence of our people, and are brought into pastoral contact with them. The people having confidence in him, the preacher is the most effectual agent that can be found. Let every preacher keep in communication with the House, and act as an agent in representing it before "the people within the bounds of his charge," that they may be supplied "with our books and periodicals." Our stocks are full. We rarely have a call for a religious book which we cannot promptly furnish. Let our preachers write to us for any thing they need for themselves or their members, and let them be sure that the **Christian Advocate** is placed in every **Methodist family**, and our **Sunday School literature** in every Sunday School.

Catalogues and **specimens** of the **Advocate** and **Sunday School Papers** sent free to any address, post-paid..
